Volunteer Activities ~Ueda Municipal Second Junior High School~

We introduced our home countries' languages, cultures, and cuisines to the junior high school students. We also participated in their English classes and interacted with the students.

Visit to the Senior Club

We visited a senior citizens' club, introduced our countries, and had meals together, interacting with the elderly.

MANABI's educational support program

MANABI held a "Teacher Intern Training" program in which teachers from an Indonesian university (Universitas Dharma Persada) received training.

The student who won the presentation contest at HUFLIT University in Vietnam was invited to participate in a short-term study abroad program at MANABI.

Nagano Campus

Manga drawing experience class

We invited a teacher from a vocational school to hold a hands-on class on drawing manga and a workshop on making leather coin cases!
